version 1.2

## + *RolePlay*

- **Bountiful** : Adds bounty boards, giving rewards for collecting different blocks and items.
- **Lukas' Weapon Leveling** : This mod makes it possible to level up your armor and weapons. It will also let items not disappear when broken.
- **Advancements Tracker** : Advancements Tracker is a Minecraft Forge Client Mod that simplifies the process of tracking and achieving advancements through an intuitive overlay with sorting and filtering options.
- **Coins JE** : A simple coins mod for questing and role play.
- **Rings of Ascension** : New rings for your minecraft adventure.
- **Relics** : Just a mod about useful items with unique mechanics :3

## + *Colonies*

- **Minecolonies** : MineColonies is an interactive building mod that allows you to create your own thriving town within Minecraft.
- 

## + *New Hobs*

- **Hamsters** : Introducing small, fluffy, and adorable hamsters to Minecraft!

## + *Combat and Animations*

- **Epic Fight Battle Styles** : Expanding the Epic Fight Mod with Unique Styles and Weapon Capabilities!

## + *New Looking*

- **Inventory Tabs** : Allows swapping to other in-world screens (blocks, entities, etc) via tabs. A fourth-generation rewrite of CakeWhip's InventoryTabs.
- **Legendary Tooltips** : Give your rare items a fancier tooltip! Also adds additional tooltip configuration options.
- **Auditory Continued** : This is a ported version of Auditory for new version of Minecraft, it adds nothing more than the original mod.
- **Leawind's Third Person** : A practical, smooth, feature-rich third person mod.
- **Advancement Plaques** : Replace those boring advancement popups with something flashier.

## + *New Gameplay*

- **Simple Voice Chat** : A working voice chat in Minecraft!
- **PlayerRevive** : Revive your friends.

Enjoy !
